MM Docket No. 96-32

In the Matter of

Amendment of Section 73.202(b). RM-8719
Table of Allotments,
FM Broadcast Stations.
(Canton, Illinois and
Canton, Missouri)

NOTICE OF PROPOSED RULE MAKING

Adopted: February 21, 1996; Released: March 6, 1996

Comment Date: April 29, 1996

Reply Comment Date: May 14, 1996

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Bick Broadcasting Co. ("petitioner"), requesting the substitution of Channel 265C2 for Channel 265C3 at Canton, Missouri, and modification of the license for Station KRRY to specify operation on the higher class channel.¹ Petitioner also requests the substitution of Channel 252A for vacant Channel 265A at Canton, Illinois, to accommodate the proposal for Canton, Missouri. Petitioner submitted information in support of the proposal and expressed an intention to apply for Channel 265C2 at Canton, Missouri.

2. We believe petitioner's proposal warrants consideration because the proposed allotment at Canton, Missouri, will provide the community with expanded service. Channel 265C2 can be allotted to Canton, Missouri, in compliance with the Commission's spacing requirements at petitioner's selected site.² To accommodate Channel 265C2 at Canton, Missouri, petitioner requests the substitution of Channel 252A for vacant Channel 265A at Canton, Illinois. Channel 252A can be allotted to Canton, Illinois, in compliance with the Commission's rules, at a site 3.9 kilometers (2.4 miles) west of the community.³ We shall also propose

to modify the license for Station KRRY to specify operation on Channel 265C2 in accordance with Section 1.420(g) of the Commission's Rules.

3. We shall also seek comments as to whether we should delete Channel 265A at Canton, Illinois, to accommodate the upgrade at Canton, Missouri. Channel 265A was allotted to Canton, Illinois, in BC Docket 81-408, released December 3, 1981, with an effective date of February 1, 1982. A mini window was opened for Channel 265A on October 4, 1995, and closed on October 11, 1995. The channel is currently vacant with no applications on file at the Commission. If an expression of interest is filed during the comment cycle in this proceeding, we would allot Channel 252A to Canton, Illinois, and open a filing window for the new channel. It is Commission policy not to delete a channel in which interest has been expressed. However, if no interest is expressed for a channel at Canton, Illinois, we shall delete Channel 265A and no substitute allotment will be made to the community.

4. In view of the above, the Commission believes it is in the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules with respect to the following communities:

OPTION I

Community	Channel No.	
	Present	Proposed
Canton, Illinois	265A, 300B1	252A, 300B1
Canton, Missouri	265C3	265C2

OPTION II

Canton, Illinois	265A, 300B1	300B1
Canton, Missouri	265C3	265C2

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **April 29, 1996**, and reply comments on or before **May 14, 1996**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary,

¹ Although petitioner's request indicates that the original copy of its proposal was signed, it failed to include an affidavit verifying that the statements contained in its petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also *Amendment of Sections 1.420 and 73.3584 of the Commission's rules Concerning Abuses of the Commission's processes*, 5 FCC red

3911, n.41 (1990). Petitioner is requested to rectify this omission in its comments.

² The coordinates for Channel 265C2 at Canton, Missouri, are 40-07-33 and 91-31-42.

³ The coordinates for Channel 252A at Canton, Illinois, are 40-32-46 and 90-04-59. Channel 300B1 was substituted for Channel 252A at Canton, Illinois, and the license for Station WBYS-FM modified to specify operation on Channel 300B1 in MM Docket No. 86-489. See 3 FCC Rcd 5824 (1988). Station WBYS-FM has a construction permit for Channel 300B1 at Canton, Illinois (BPH-950719IC). The grant of a license for Channel 252A at Canton, Illinois, may be withheld until Station WBYS-FM is licensed on Channel 300B1.

See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.
